## LIST OF ILLUSTRATIONS

| PLATE  | PAGE |
|--|------|
| I. Temple Crag (13,016 ft.), Big Pine Creek, 2,000 ft. Cliffs,<br>North Palisade (14,254 ft.) in the distance..... | 1    |
| II. Notch in Big Arroyo Wall at head of Deer Creek.....  | 2    |
| III. The Kaweah Group from Milestone Basin.....  | 2    |
| IV. Milestone and Vertical Walls of Cirque on Kings-Kern Divide  | 3    |
| V. Narrow Lake in Cañon on Kings River Side of New Pass...   | 3    |
| VI. Milestone Viewed from the Bow Is a Jagged Backbone.....  | 4    |
| VII. Milestone from the Unnamed Peak on the Western Wall of<br>the Bow .....                                       | 5    |
| VIII. The Summit of Milestone Overhangs on Almost all Sides.....   | 6    |
| IX. Sculptured Cliffs in Tehipite Valley—Another California Yo-<br>semites to be Visited by the Club in 1913.....  | 7    |
| X. The Noble Length of the Kern Cañon.....   | 16   |
| XI. Kern Lake Embowered in Green Forests .....   | 17   |
| XII. Moraine Lake, a Shining Gem Cut with Perfect Symmetry..   | 18   |
| XIII. The Eight and One-half Pound Trout.....  | 18   |
| Moraine Lake, Green Fringed Like a Meadow.....   | 18   |
| Surrounded by Sharp-Chiseled Peaks .....   | 18   |
| XIV. The Weather-Beaten Faces of Peaks Towering Above the<br>Big Arroyo .....                                      | 19   |
| XV. The Big Arroyo with Its Granite Walls Falling Sheer Away<br>Beneath Us .....                                   | 19   |
| XVI. Columbine Lake and Lost Cañon from Base of Sawtooth....   | 20   |
| XVII. A Storm Gathered Over the Kern Cañon.....  | 21   |
| XVIII. Mount Whitney (14,502 ft.) from the Trail to Its Summit...  | 22   |
| XIX. The Steep Snow-Slide at Army Pass.....  | 23   |
| Part of the Pack-Train on the Trail We Cut at Army Pass...   | 23   |
| XX. Looking Back at Army Pass Across Upper Cottonwood Lake..   | 24   |
| XXI. Crag Ericsson from Harrison Pass .....  | 25   |
| Ericsson and Deerhorn .....  | 25   |
| XXII. Remains of Lightning-Struck Sugar Pine.....  | 26   |
| XXIII. Fig. 1. General view of the Blasted Sugar Pine.....   | 27   |
| Fig. 2. Near View of the Wreckage.....   | 27   |
| XXIV. Nest and Eggs of the California Pine Grosbeak.....   | 34   |
| XXV. California Pine Grosbeak .....  | 35   |
| Another View .....   | 35   |
| XXVI. The Tuolumne Meadows from Lambert's Dome, Showing the<br>Soda Springs Property Enclosed in White Lines.....  | 36   |
| XXVII. View Northeast from Milestone—Table Mountain Showing on<br>Middle of Skyline .....                          | 48   |
| XXVIII. Tehipite Dome and Valley to be Visited by the Club in 1913..   | 49   |
| XXIX. North Palisade Glacier, one of the Largest of the Residual<br>Glaciers of the Sierra .....                   | 54   |
| XXX. Wit-sa-nap, the Indian Name for Convict Lake, near Bishop,<br>Inyo County .....                               | 55   |
| XXXI. An Ancient Foxtail Pine, near Kern Cañon .....   | 74   |
| XXXII. Beautiful Forested Floor of Tehipite Valley .....   | 75   |
| XXXIII. View in Proposed Rocky Mountain National Park .....  | 81   |
